Summary

I am a motivated frontend developer experienced in building responsive interfaces using React, Next.js, and Tailwind CSS. I enjoy creating clean, responsive user interfaces and learning through real-world projects. Seeking an opportunity to grow and contribute to a professional team.

Skills

Frontend: Next.js, React, JavaScript, HTML, CSS, Tailwind

Backend: Node.js, Express.js **Database:** MongoDB

Auth & Payment: Firebase, JWT, Stripe

Tools & Design: GitHub, Figma, Illustrator, Axios, React Hook Form

Projects

Pet Adoption Platform

[Server](#) | [Live](#)

- Led a team of 5 collaborators (originally 6) as Team Leader, overseeing development, task allocation, and progress tracking.
- Managed Git repositories, performed code reviews, and ensured smooth collaboration through version control best practices.
- Developed a unique AI-powered adoption feature to enhance user experience.
- Contributed to full-stack development of the platform using Next.js, React, MongoDB, Tailwind CSS, DaisyUI, and Stripe for payments.

E-Learning Platform

[Client](#) | [Server](#) | [Live](#)

- Built a scalable MERN-stack Learning Management System (LMS) featuring role-based authentication for admin and students.
- Integrated JWT authentication, protected routes, and secure enrollment logic.
- Designed interactive dashboards for course management and student progress tracking with responsive UI using React, Tailwind CSS, and RESTful APIs

Car Rental Platform

[Client](#) | [Server](#) | [Live](#)

- Designed and implemented a React-based platform to browse, book, and manage rental car
- Integrated JWT authentication and role-based dashboards for secure access control.
- Implemented Stripe payments and MongoDB Atlas for booking and transaction management.

Experience

Vice President & Designer | Canadian University of Bangladesh (01/2022 – 04/2024)

- Designed event campaigns, banners, and social media content for web platforms
- Collaborated with cross-functional teams to support digital initiatives

Project Officer (Remote) | Invicta Technical College, Australia (01/2022 – 04/2024)

- Led design initiatives and managed creative assets for university events
- Coordinated with teams to plan and execute student-focused programs

Achievements

- Web Development Course – **Programming Hero**
- Web Design Course – **Creative IT Institute**
- Basics of Graphic Art & Illustration Workshop – **EMK Center**
- Participant – **Intra-Academia Debate Championship**

Education

Bachelor's Degree in Computer Science Engineering

Canadian University of Bangladesh

2021-2025

Languages

English (Fluent), Bangla (Native), German (Advanced)
